RE: Review of the Revised Archaeological Assessment Report Entitled, “*Stage 1-2 Archaeological Assessment of 3250 Homestead Drive (Geographic Township of Glanbrook), Formerly the Township of Glanford, City of Hamilton, County of Wentworth,*” Dated June 9, 2010, Received July 19, 2010, Revised Report Received March 3, 2011, MCL Project Information Form Number P038-355-2010, MCL RIMS Number 25ZG080

Dear Mr. Cornies:

This office has reviewed the above-mentioned revised report, which has been submitted to this Ministry as a condition of licensing in accordance with Part VI of the Ontario Heritage Act, R.S.O. 1990, c 0.18. This review is to ensure that the licensed professional consultant archaeologist has met the terms and conditions of their archaeological licence, that archaeological sites have been identified and documented according to the 1993 technical guidelines set by the Ministry and that the archaeological fieldwork and report recommendations ensure the conservation, protection and preservation of the cultural heritage of Ontario.*

This revised report was subjected to a review that focused specifically on concerns for archaeological resources and/or sites in relation to the outcomes and recommendations of the report. This focused review does not alter or affect your obligation as the licensee to ensure that all reports submitted meet the Ministry technical guidelines and terms and conditions of licence.

As the result of our review, this Ministry accepts the above titled revised report into the Provincial register of archaeological reports. No archaeological sites were documented. It is recommended that there are no further concerns for alterations to archaeological sites for the area that has undergone archaeological assessment. This Ministry concurs with this recommendation.

Given the above, this Ministry is satisfied that concerns for archaeological sites have been met for the area of this development project as depicted by Figure 4 of the above titled report and as depicted by the topographic survey of part of Lot 5, Concession 5, Geographic Township of Glanford, in the City of Hamilton, prepared by A.T. McLaren Limited, Drawing No. 33176, signed by S.D. McLaren, O.L.S., dated July 22, 2010.

I trust this information is of assistance. Should you require any further information regarding this matter, please feel free to contact me.

Sincerely,

Andrea Williams
A/ Archaeology Review Officer
