GUIDELINES	URBANSOLUTIONS STRATEGY
Target audience of the consultation	The target audience for this application is the general public, adjacent land owners within 120m of the subject land, and the Beasley Neighborhood Association.
If done, record of consultation efforts made before the application was submitted	UrbanSolutions met with the Beasley Neighborhood Association on May 10, 2017. Members who attended were provided with a handout summarizing the proposed development. The presentation was followed by a question and answer period.
List the stakeholders and how they are impacted	Primary stakeholders are those within the 120m circulation area and the Beasley Neighborhood Association. Collectively all documentation submitted in support of this complete application confirm the proposed is compatible without causing adverse impacts. We look forward to reviewing any public stakeholder comments received.
Tools to be used to consult/engage the public	<p>In addition to the May 10th information meeting the following tools will be used to consult/ engage the public:</p> <ul style="list-style-type: none"> • UrbanSolutions will post a notification sign, following guidelines provided by the City of Hamilton. This sign will provide relevant information related to the purpose and intent of the requested changes to the applicable zoning by-law. • In proximity to the public notification sign, UrbanSolutions will post a sign detailing contact information of our firm. This will allow members of the public to call or email and make inquiries on the proposal.

	<ul style="list-style-type: none"> UrbanSolutions will prepare a microsite for this project. The link will be provided to the Planner on file, the Ward Councilor and the Beasley Neighborhood Association. The microsite will provide a portal for members of the public to access the submitted reports, studies and supporting information that has been provided to the City. Updates on the project will also be posted on the site, as they occur. Our office will attend and be prepared to provide a presentation at the statutory public meeting, at Planning Committee.
Timing of consultation	<p>UrbanSolutions previously met with the Beasley Neighborhood Association on May 10, 2017 for consultation.</p> <p>Consultation with the public, via the microsite, will begin once the application has been deemed complete by the City of Hamilton.</p> <p>The timing of the statutory public meeting will ultimately be determined by the City.</p>
Method to receive document comments	Contact information for UrbanSolutions will be available on the posted notification sign, as well as on the Microsite. Comments received will be reviewed and provided to the City.
