16. Significant Features

16.1 All applications under the Planning Act_are subject to review for regard to the Provincial Policy Statement issued by the Province of Ontario. Complete the following table and be advised of the potential information requirements in the noted section. If the information is not submitted, it may not be possible to do a complete and proper planning evaluation.

TABLE - SIGNIFICANT FEATURE CHECKLIST

Feature or Development Circumstance	If a feat it on s within Of If develo circums does it	ite or 500 m R a pment stance,	If a feature, specify distance in metres.	Potential Information Needs
	Yes (X)	No (X)		
Non-farm development near designated urban areas or rural settlement area		\		Demonstrate sufficient need within 20- year projections and that proposed development will not hinder efficient expansion of urban or rural settlement areas
Class 1 industry ¹		☑	m	Assess development for residential and other sensitive uses within 70 metres
Class 2 industry ²		□ ✓	m	Assess development for residential and other sensitive uses within 300 metres
Class 3 industry ³		☑′	m	Assess development for residential and other sensitive uses within 1000 metres
Land Fill Site		□ ✓	m	Address possible leachate, odour, vermin and other impacts
Sewage Treatment Plant		□	m	Assess the need for a feasibility study for residential and other sensitive land uses
Waste Stabilization Pond		□⁄	m	Assess the need for a feasibility study for residential and other sensitive land uses
Active Railway line		Ø	m	Evaluate impacts within 100 metres
Controlled access highways or freeways, including designated future routes		Ø	m	Evaluate impacts within 100 metres
Airports where noise exposure forecast (NEF) or noise exposure projection (NEP) is 28 or greater		\\\\		Demonstrate feasibility of development above 28 NEF for sensitive land uses. Above the 35 NEF/NEP contour, development of sensitive land uses is not permitted

Feature or Development Circumstance	If a feat it on s within O If develo circums does it Yes (X)	ite or 500 m R a pment stance,	If a feature, specify distance in metres.	Potential Information Needs
Electric transformer station		☑	m	Determine possible impacts within 200 metres
High voltage electric transmission line		\square	m	Consult the appropriate electric power service
Transportation and infrastructure corridors		\square		Will the corridor be protected?
Prime agricultural land		Ø		Demonstrate need for use other than agricultural and indicate how impacts are to be mitigated
Agricultural operations		Ø	m	Development to comply with the Minimum Distance Separation Formulae
Mineral aggregate resource areas		Ø		Will development hinder access to the resource or the establishment of new resource operations?
Existing Pits and Quarries		☑	m	Will development hinder continued operation or extraction?
Mineral and petroleum resource areas		☑′		Will development hinder access to the resource or the establishment of new resource operations?
Significant wetlands		A	m	Development is not permitted
Significant portions of habitat of endangered species and threatened species		Ø	m	Development is not permitted
Significant fish habitat, woodlands, valley lands, areas of natural and scientific interest, wildlife habitat		₽ ′	m	Demonstrate no negative impacts
Significant groundwater recharge areas, headwaters and aquifers		⊠		Demonstrate that these features will be protected
Significant built heritage resources and cultural heritage landscapes				Development should conserve significant built heritage resources and cultural heritage landscapes

Feature or Development Circumstance	If a feat it on s within O If develo circums does it Yes (X)	site or 500 m R a pment stance, apply?	If a feature, specify distance in metres.	Potential Information Needs
Significant archaeological resources		⊠′		Assess development proposed in areas of medium and high potential for significant archaeological resources. These resources are to be studied and preserved, or, where appropriate, removed, catalogued and analysed prior to development.
Great Lakes system: A - within defined portions of the dynamic beach and 1:100 year flood level along connecting channels B - on lands subject to flooding and erosion		□⁄		A - Development is not permitted. B - Development may be permitted; demonstrate that hazards can be safely addressed
Erosion hazards		Ø		Determine feasibility within the 1:100 year erosion limits of ravines, river valleys and streams
Floodplains		₩		Where one-zone floodplain management is in effect, development is not permitted within the floodplain. Where two-zone floodplain management is in effect, development is not permitted within the floodway. Where a floodplain Special Policy Area (SPA) has been established through approval from the Ministry of Natural Resources and the Ministry of Municipal Affairs and Housing, must meet the official plan policies for the SPA.
Hazardous sites⁴		\square		Demonstrate that hazards can be addressed
Contaminated sites		Ø		Assess an inventory of previous uses in areas of possible soil contamination

Class 1 industry: Small scale, self-contained plant, no outside storage, low probability of fugitive emissions and daytime operations only.

Class 2 industry: Medium scale processing and manufacturing with outdoor storage, periodic output of

- emissions, shift operations and daytime truck traffic.
- Glass 3 industry: Processing and manufacturing with frequent and intense off-site impacts and a high probability of fugitive emissions.
- Hazardous sites: property or lands that could be unsafe for development or alteration due to naturally occurring hazard. These hazards may include unstable soils or unstable bedrock.

party in the amount of 50% of the estimated expenses associated with the appeal as estimated

by the City Solicitor in his sole discretion which shall be credited against the Expenses.

- 3. It is hereby acknowledged that if the deposit required pursuant to section 2 of this Agreement is not paid by the Developer the City shall have the option, at its sole discretion, of taking no further steps in supporting the Developer's application before the Ontario Land Tribunal.
- 4. It is hereby acknowledged that all expenses shall be paid for by the Developer. The Developer shall reimburse the City for all expenses the City may be put to in respect of the application upon demand.
- 5. It is hereby acknowledged and agreed that all expenses shall be payable by the Developer whether or not the Developer is successful before the Ontario Land Tribunal or any other tribunal or Court in obtaining approval for their application.
- The City shall provide the Developer with copies of all invoices of external legal counsel or consultants included in the expenses claimed by the City.
- 7. The City shall provide the Developer with an accounting of all staff costs and City disbursements included in the expenses claimed by the City.
- 8. The City may, at any time, draw upon the funds deposited in accordance with sections 2 and 9 of this Agreement to satisfy expenses incurred pursuant to the appeal of the application.
- In the event that the amount deposited pursuant to section 2 of this Agreement is reduced to less than 10% of the initial deposit, the City may halt all work in respect of the appeal of the application until the Developer deposits with the City a sum sufficient to increase the deposit to an amount which is equal to 100% of the expenses estimated pursuant to paragraph 2 of this Agreement and still to be incurred by the City.
- 10. Within 60 days of: (a) a decision being rendering in respect of the appeal or any legal proceedings resulting from the decision, whichever is later; or (b) the termination of all legal proceedings in respect of the application, the City shall prepare and submit a final account to the Developer. If there are any deposit funds remaining with the City they shall be applied against the account. Any amount owing in respect of the final account in excess of deposit funds shall be paid by the Developer within 30 days of the date of the final account. If any deposit funds are remaining after the final account has been paid they shall be returned to the developer within 30 days of the date of the final account.
- This Agreement shall not be construed as acceptance of the application and nothing herein shall require or be deemed to require the City to approve the application.
- 12. This Agreement shall not stand in lieu of or prejudice the rights of the City to require such further and other agreements in respect of the application that the City may deem necessary.
- 13. Every term, covenant, obligation and condition in this Agreement ensures to the benefit of and is binding upon the parties hereto and their respective heirs, executors, administrators, successors, trustees and assigns.
- 14. When the context so requires or permits, the singular number is to be read as if the plural were expressed, and the masculine gender as if the feminine, as the case may be, were expressed; and,
- 15. This Agreement and the schedules hereto constitute the entire agreement between the parties in respect of the subject matter contained herein and is not subject to, or in addition to, any other agreements, warranties or understandings, whether written, oral or implied. This Agreement may not

be modified or amended except by instrument in writing signed by the Developer and the City, and,

- The waiver or acquiescence by the City of any default by the Developer under any obligation to comply with this Agreement shall not be deemed to be a waiver of that obligation or any subsequent or other default under this Agreement.
- 17. The Developer covenants and agrees to be bound by the terms and conditions of this Agreement and not to seek a release from the provisions thereof until such time as the Developer's obligations hereunder have been assumed by its successor, assignee or transferee by way of written agreement in the form set out in Schedule "B" to this Agreement.
