

**Attention: Transportation Planning  
City of Hamilton**

71 Main Street West  
Hamilton, Ontario L8P 4Y5

**Date:** February 22, 2023

**Regarding: 559 Garner Rd, Ancaster – SPA**

---

To whom it may concern,

The vehicle ramp from grade to the underground parking level P1 and P2 shown on the Site Plan A1.1, has been designed based on our previous experience. The ramp has been designed in keeping with current industry practices. The ramp will include transition slopes at the top and bottom and will be heated, therefore we certify the ramp has been functionally designed.

Kindest Regards,

**Edward Thomas, B. Arch., O.A.A., MRAIC  
President, SRM Architects Inc.**
